Erin Peterson joined the RISC and Mutual team in March 2020 and now will serve as the Program Specialist for NLC-RISC. She is a 2019 graduate of Gustavus Adolphus College (St. Peter, MN) where she received a B.A. in Communication Studies. During college, Erin took many elective classes on government

and public policy and also completed an internship with her Congressman in D.C., which solidified her interest to work in public service. In her role as Program Specialist, Erin manages annual RISC initiatives such as member surveys and reports; coordinates with external partners; provides input on educational programming and meetings; and supports our membership by managing special projects such as our PTSD program offering and continued public safety work. Erin is a full-time telecommuter from Minnesota who enjoys coffee shops, collecting vinyl records, and spending time outdoors.
