Lena Scarpulla is our newest addition to the team and we are so happy to have her as our Membership Coordinator for both NLC-RISC and NLC Mutual. She is a recent graduate from The George Washington University where she majored in Marketing and Event Management and minored in Sustainability.

Lena has interned with a wide range of non-profit organizations including: the ONE Campaign, Ashoka: Innovators for the Public, SmithBucklin, and NLC as a business events intern last Fall. In this role, she will be working on our meeting coordination, member engagement, communications, governance, and operations. Some of the projects that she will be working on include developing RISC eNews, redesigning the NLC-RISC and NLC Mutual websites, and creating an up to date member directory. Lena currently lives in Washington D.C. but is a New Yorker at heart who enjoys playing with her pug Pablo and cooking especially anything from the fabulous Ina Garten.
